1: The Lynk & Co 03 feature list presented herein is based on data available when it's printed and subject to change without prior notice. Specifications may vary in some cases, please consult your local dealer for details.

2: ● = Standard; - = Not Available

3: ADAS cannot 100% cope with all traffic, weather and road conditions, so the driver must always observe the current traffic conditions, pay close attention to the safe distance and speed, and actively intervene as the case may be.

4: Comprehensive fuel consumption: measured according to the comprehensive driving cycles specified in local's standards, with the actual data different from the displayed data caused by the influence of different driving conditions.

5: The seat is made of genuine leather and synthetic leather. The composition ratio and wrapping range of genuine leather and synthetic leather vary from seat to seat. Some (or a few) seats of some models are made of synthetic leather, which shall be subject to the product.
